Correction to: Child's Nervous System

<https://doi.org/10.1007/s00381-020-04567-w>

The original version of this article unfortunately contained few errors. The dose of sodium selenite was incorrectly indicated as 100 μM in the published version of “*Selenium enhances TRPA1 channel-mediated activity of temozolomide in SH-SY5Y neuroblastoma cells*”. The correct indication of sodium selenite is 5 μM . Additionally the authors accidentally referred to reference 11 instead of reference 10 in Group 6. The authors regret the errors.

The online version of the original article can be found at <https://doi.org/10.1007/s00381-020-04567-w>
